

THE GETTYSBURG TIMES.

SEVENTEENTH YEAR

GETTYSBURG, PA., FRIDAY, JUNE 20th, 1919.

PRICE TWO CENTS

OPENING DAY WAS HUGE SUCCESS

From Nine Until Eleven Thursday Night Crowds Thronged Grounds.

BALL GAMES A FEATURE

Children Tired but Happy. Fish Pond Financial Success. Mrs. Helfrich Directs Play and Singing.

The one word "success" best describes the opening of the reorganized Kurtz Playground which took place on Thursday.

From the time a group of children opened the festivities at nine o'clock in the morning until the last person left the grounds about fourteen hours later the Playground was the scene of perpetual enjoyment. When the races and ball game were in progress during the afternoon there was a large crowd present but from six o'clock until nine it seemed as if every person in Gettysburg had turned out to aid in making Opening Day a success.

Before the evening ball game commenced a great portion of the crowd climbed up on the bleachers to have their pictures taken. Even though the seats were filled and many persons were standing around the structure there were still several hundred other Playground patrons over by the refreshment stand who were not in the picture. In attendance as well as enjoyment the 1919 opening surely stands supreme.

Members of the committee who worked for weeks in advance to convince the citizens of town that the Playground is going to be a great thing for the recreation of both young and old persons were rewarded for their efforts by favorable comments on all sides. One man was heard to say, "When I see all these kids having such a good time out here I surely am convinced that the Playground is going to be beneficial to the town." Another man replied, "Yes, that's true. When I sunk ten dollars into the Playground I was afraid I had wasted my money, but I see now that it has gone to a good cause."

Six hundred and 75 attempts were made as shown by the receipts of the fish pond which amounted to \$33.75 at five cents for every attempt to procure the elusive "bass", "sunnies", "speckled beauties" and other "aquatics" which cavorted around in the pond. Neither Witherow's Dam nor Black Hole ever presented such an array of "fish" as did the Playground on Opening Day as the "pond" was filled with everything from brass buttons to middy blouses which were eagerly sought by the amateur fishermen.

Total receipts from the refreshment stand and pond amounted to about \$200.00. Twenty seven cases of pop, 1500 cones, 250 sandwiches, and 50 gallons of ice cream were sold.

Mrs. Helen Helfrich, superintendent of play, was a central figure in all the activities enjoyed by the children. From morning until night she conducted singing programs, volley ball games, told stories and did various other things that were enjoyed immensely by the little folks. Although she has been here but a short time, Mrs. Helfrich has already won a place in the hearts of the Playground patrons, both young and old, and seems to be extremely capable of filling her position.

Results of the races which were run in the afternoon were: 100 Yard Dash for boys under nine years of age, won by Joe Sadler; 100 Yard Dash for boys between 9 and 15, won by Charles Codori; 100 Yard Dash for girls between 9 and 15, won by Elizabeth Bigham; Three Legged Race, won by Frank Gardner and Robert Gilbert; Blindfolded Race, won by Robert Gilbert; Relay Race, won by Robert Miller, Joseph Felix, Harmon Zinn and Charles Codori.

After the finish of the ball game, between Second and Third wards the crowd remained at the Playground to enjoy the concert of the Gettysburg Band and it was a late hour when the last person left the ground at the end of one of the most enjoyable days the people of Gettysburg have had for several years.

IMPORTANT BILLS FOR LAST WEEK

State Legislature Nears End of Session. Liquor Bills Hang Fire.

HALF MILLION FOR BRIDGE

Judge McPherson May Get Salary Raise. Mothers' Pension Bill has been Passed.

Within a week the 1919 session of the Pennsylvania Legislature will come to a close and many bills which hold much interest to the people of this county will be voted on by the members of the House and Senate during the few remaining days. The question of Woman's Suffrage has at last been decided but a half dozen bills dealing with alcoholic content, enforcement of the present liquor laws and other booze measures have yet to be acted upon. The Woodruff teachers' salary bill, the large appropriation measure and a series of bills establishing funds with which to build a Memorial Bridge in honor of the soldiers, sailors and Marines of the State, will occupy much time of both legislative bodies next week.

On Wednesday of next week Governor Sproul will receive the Memorial Bridge bill which carries with it an appropriation of \$500,000 with which one of the most pretentious monuments to war heroes erected by any state will be built. On metal tablets in the great supports of the bridge will be inscribed the name of every man of the Keystone state who fought or took part in the World War. Blue prints for the structure have already been drawn and the work will be commenced soon after the Governor places his signature to the bill.

The Vickerman bill amending the mothers' pension act by reclassifying the counties and providing means for the appropriation of pension funds has been passed and will mean an increased allowance for the Mothers' Pension committee of this county. The Department of Health bill with provisions dealing with quarantine regulations for communicable diseases and which was framed to meet epidemics is still hanging fire in the committee.

If the Alexander bill increasing the salaries of all Supreme, Superior and county courts of the State is signed by Governor Sproul, Judge Donald P. McPherson, president judge of this county, will have \$1,000 tacked on to his salary of \$6,000. The measure has been passed by both the House and Senate.

The Ramsey and Vickerman liquor bills which have had stormy careers since their first appearance in the House, committee to be pushed from the committee to House and from the House to the committee. It is probable that both measures will die when the legislature adjourns.

Carrying with it funds necessary to conduct the business of the State for the next two years the largest appropriation bill in the history of the Commonwealth has been passed by the House. It was introduced in March and has underwent many revisions. It now carries a fund of \$40,000,000. The legislature of 1917 appropriated \$36,000,000 in a similar measure.

RECEIVED HONORS

Two McSherrystown Men Win Recognition at Mt. St. Mary's.

Two McSherrystown young men were accorded honors at the one hundred and eleventh annual commencement exercises held at Mt. St. Mary's college, Emmitsburg, Md. Bryan R. McCann, son of Mr. and Mrs. Joseph McCann, North street, McSherrystown, was accorded the Sophomore class college classical course gold medal and the Sophomore English prize for the best essay on "The Works of James Russell Lowell."

John P. Keffer, son of Mr. and Mrs. William Keffer, North street, McSherrystown, was given a gold medal for proficiency in the second-year class of the High School department.

FESTIVAL in room adjoining Photoplay Theatre, Saturday afternoon and evening. Ice cream, cake, candy, lemonade. St. James Christian Endeavor.—advertisement 1

POLICE GUARD LEGISLATORS

Resumption of Bomb Outrages Feared. Senators Get Abusive Letters.

The State government proposes to take no chances in guarding officials and property in Harrisburg against cranks or bomb fiends, it was stated. A number of armed plain clothes officers have joined with members of the State Police in keeping a careful watch at the Capitol.

Threatening letters have been received by a number of officials, it is said unofficially. While abusive letters are not unusual of late it is said that a number of them have taken a more serious nature probably because of the effect on the weak minded caused by recent bomb outrages. Of late particular care was taken to look after members of the State Pardon Board who had received letters from cranks.

Announcements Thursday that the Federal authorities have had warning that another bomb outrage may be expected by the nation, within a few days, also is said to have had its effect. Because several State officials were selected to receive bombs on May Day a particular watch will be kept to see that no one gets by the guard.

While men in charge of guarding the Capitol are not talking, it was said that everybody going into the building is scrutinized. All the guards have been armed.

A YEAR IN FRANCE

Miss Landis was Member of Operating Team Near Front Lines.

Miss Sabina Landis, daughter of Professor Charles Landis, of Fairfield, who spent a year in France with the University of Pennsylvania Hospital unit, spent several days with Dr. and Mrs. J. E. Musselman, Springs avenue. During her period of service in France, Miss Landis spent six months near the front lines as a member of an operating team. She was on the Toul and Chateau Thierry sectors and assisted in the operating work for stretches of thirty hours at a time. She will leave Fairfield in a few days for Cleveland where she has been elected head operating nurse in a hospital there.

MARRIED ENGLISH GIRL

Howard Miller, Formerly of Town, Is on U. S. S. "Shaw."

Howard Miller, formerly of Washington street, who is now a first class fireman on board the U. S. S. "Shaw," was in Gettysburg for five hours on Thursday.

Miller spent seventeen months in Ireland and Pauillac, France, during the war and while overseas married Miss Violet Payton, of Manchester, England, who is now residing with her brother-in-law, J. W. Miller, of Hanover.

BRIEF SESSION OF COURT

Report of Raymond F. Topper Confirmed Nisi. Judge Sadler Presides.

At a special session of court this morning which lasted between five and ten minutes the report of Raymond F. Topper, auditor to make distribution of the estate of Martin Winter as shown by the first and partial account of Executor D. P. McPherson, was filed and confirmed nisi to be confirmed absolute under rule of court. Judge S. B. Sadler, of the 9th District, specially presided.

SERVICES SUNDAY

Postponed Exercises will be Held on Sunday Evening.

The Flag Day exercises, which were to have been held in the United Brethren church last Sunday evening, were postponed on account of the rain until next Sunday evening at eight o'clock. Lieutenant Yohe, of Gettysburg, who has had much overseas experience, will be the principal speaker.

WORLD'S RECORD IN ROAD WORK

State Will Open Bids for 107 Miles of Modern Paving.

WILL COST OVER \$4,000,000

Bids on Adams County Jobs not Included in Letting. Largest Stretch on Lackawanna Trail.

A new world's record will be set by the Pennsylvania State Highway Department Tuesday, July 8, when bids will be opened for the construction of approximately 107 miles of modern-type pavement, the cost of which will range from \$4,000,000 to \$4,500,000.

An instance is on record where bids were asked for the grading and drainage of a greater mileage, but no Commonwealth has ever asked at one time for bids for the construction of so great a mileage as that represented in the "letting" of July 8.

The exact amount of construction for which the Department will ask for bids July 8, is 106.96 miles. Before the close of July, over 500 miles of Highway will be in the course of building in various parts of the Commonwealth.

This tremendous construction program has resulted in the institution of a very large number of detours, inasmuch as a road cannot be used while it is being rebuilt. The Highway Department's Bureau of Information has inaugurated a weekly bulletin service concerning these detours, explaining in detail where they are.

Although no contracts for road building will be given for Adams county at that time it is understood that two stretches, one near Biglerville and the other the paving of the borough streets here will be on the next list upon which bids will be asked. This "letting" will probably take place late in the month of July.

The longest strip of Highway for which construction is planned and for which bids will be opened July 8, is that section of the Lackawanna Trail which lies in Clarks Summit, Glenburn, Dalton and LaPlume boroughs and Abington, Clinton and Nickolson townships, in Wyoming and Lackawanna Counties. The total length of this construction is 71,063 feet. This is approximately 13 1/4 miles and is a record breaker for Pennsylvania, insofar as continuous construction is concerned. The Lackawanna Trail is an important northeastern Pennsylvania thoroughfare leading from Scranton to Binghamton, New York.

Another important piece of construction is planned for the Lackawanna Trail.

WELCOME HOME MEETING

Good Lodged Representation of County Lodges Expected to Attend.

Judging from the reports that have come in to the Times office from various lodges throughout Adams county there should be a good sized representation of Welcome Home Day workers at the meeting to-night at 8:00 o'clock in Odd Fellows Hall on the third floor of the First National Bank building.

A permanent organization is expected to be formed and definite plans made which will aid greatly toward the success of a big demonstration for the discharged soldiers and sailors of Adams county.

MISS TIPTON HOME

Miss Esther Tipton was Overseas for Fourteen Months.

Hon. and Mrs. William H. Tipton, of Chambersburg street, received a telegram this morning stating that their daughter, Miss Esther Tipton, a Red Cross Nurse in Germany and France for the past fourteen months, has arrived in New York.

SOLD FARM

John D. Riley has sold his farm along the Benderville Road, containing eighty five acres, to his son, Leo C. Riley. Terms private.

ADAMS COUNTY BOYS ARE SCOUTS

Five Townships Join With Hanover to Secure Council and Charter.

Hanover and two townships in York county and five in Adams county will make application within the next few days for a first class council and charter for troops of Boy Scouts. Action to this effect was decided on Wednesday by scout officials of Hanover, in conference with H. M. Butler, national field secretary commissioner, of Harrisburg, who has jurisdiction over the scouts in Maryland, Pennsylvania, Delaware, Virginia and West Virginia.

This will mean that Hanover and vicinity will have a charter and council of its own, independent of the county organization. The two townships in York county to be affected are Penn and West Manheim and the five in Adams, Berwick, Germany, Union, Oxford and Conewago.

After a charter has been secured from headquarters a council will be formed, together with a court of honor.

This plan will tend to make the local organization stronger and its influence more effective and broadening.

GLESSNER RECOVERING

His Injury is not Serious According to Word from Hagerstown.

Lieutenant W. E. Glessner, of Friedens, Somerset county, who was badly injured in an automobile accident near Seven Stars on Thursday morning is not in a serious condition according to word received from Hagerstown this afternoon. Lieutenant Glessner was removed to the Washington County Hospital by train a short time after he received a laceration of the right groin when his machine turned completely around and ran into a fence.

The car which was badly damaged in the accident was brought into Gettysburg and repaired to the extent of allowing it to proceed on to Somerset County.

WHAT CAUSES OIL DELAY?

Town Council Sends Telegram to Speed up Oil.

In an effort to speed up the oiling of Gettysburg's streets the Town Council has sent another telegram to the United Gas Improvement Company of Philadelphia asking the reason for the delay in shipping oil to Gettysburg.

U. G. I. said that the oil would be here in two weeks, according to a borough official, and two weeks have now passed since the order was sent.

MARING-STOFF

Arthur W. Maring, son of Mr. and Mrs. David Maring, of Baltimore street, was married to Miss Elizabeth Stoff, of Cleveland, on Wednesday.

The couple are now visiting at the home of David Maring for several days.

HOME FROM HOSPITAL

Mrs. Paris Pence Underwent Several Operations in York.

Mrs. Paris Pence has returned to her home in Fairfield after undergoing several operations in the York hospital.

VOTED FOR SUFFRAGE

Senator C. William Beales recorded his vote in favor of the Woman's Suffrage amendment when it was passed by the State Senate Thursday morning.

REPORTED NEW WHEAT DISEASE

Investigation Proves That it was False Alarm. Grain in Excellent Condition.

"TAKE ALL" IS NEW ENEMY

Brought to This Country From Australia. Has Affected Crops in Illinois and Indiana.

A report made by a farmer living near New Oxford that he had discovered a wheat disease that resembled "foot rot" or "take all," a new wheat enemy which has been found in sections of Illinois and Indiana, caused Farm Agent Hershey to make a careful inspection of the wheat in the eastern sections of the county. While he discovered a small amount of "wheat rust" there was no evidence of the other disease and indications point to a bumper crop.

This new growth that has been causing much anxiety among the farmers in some parts of the country and which will seriously affect the wheat crop in Illinois and Indiana, is of Australian origin and has made its appearance in the United States in those sections where farmers used Australian wheat for seeding. As there was practically no Australian wheat used in this county for seeding purposes last fall, it is highly improbable that the disease will be found here.

The area in which the fungus growth has been traced up to the present time amounts to 300,000 acres, although all of this wheat is by no means damaged. A nation-wide search has been instituted by agriculture experts of the country to discover whether the disease has been introduced in any other sections, but so far it seems to be confined to the one area. Farmers everywhere have been cautioned, however, to be on the lookout for this new enemy known as "take all" and report any indications of its presence to the agriculture authorities.

No practical remedy for the plants, once attacked, is known, ruthless destruction of infected fields seems to be the only solution. Farmers in those states have been reimbursed when such action is necessary by the agriculture departments. "Take all" first appears in round or irregular patches within which all plants are destroyed, causing the wheat to turn yellow. This habit gives rise to the name "take all." It also rots the foot and roots of the stem so that the plant is weakly rooted. From this comes the name "foot rot."

Affected plants may survive the seedling attack and produce heads, but they never fill out and are dead white in color. The government has for some time been apprehensive about the importation of the disease and at the time of its discovery was preparing quarantine regulations prohibiting the shipment into this country of seed wheat from Australia, Japan, India and practically the whole of Europe.

STOCK REPORT

Scheidemann Downfall Causes Reaction. Shares Recover.

(By Associated Press) New York, June 20—Short selling prompted to an extent by the downfall of the German ministry caused reaction of one to four points among special issues in the stock market this morning but losses were soon recovered on buying of standard shares. Before midday early gains in equipment, motors, oils, tobaccos and shipping were variably extended. Rails also strengthened and United States steel rallied more than one point from its low of the first hour. Food shares made substantial additions to yesterday's gains and metals also were in demand. Call money opened at six per cent.

HUNS ACCEPT PEACE TERMS

Says Paris Report. Scheidemann Government has Fallen.

WHOLE CABINET RESIGNS

Germans will Ask More Time. Gustave Noske will Head Ministry. Erzberger Heads Peace Delegation.

(By Associated Press)

London, June 20—The German National Assembly at Weimar has accepted the peace terms according to an Exchange Telegraph dispatch from Paris.

Government Falls

Paris, June 20—The Scheidemann government in Germany has fallen, it was learned today. News of the event reported during the morning was confirmed later by military advices from Coblenz from both Weimar and Berlin.

The downfall of the Scheidemann government was made known to the American delegation to the Peace Conference. This is believed to assure the signing of the peace treaty by Germany as Philipp Scheidemann, the premier, was understood to be the chief opponent to the acceptance of the revised peace terms.

It is understood here that the fall of the Scheidemann government entails the fall also of President Ebert. The National Assembly probably will take measures to select a successor to Herr Ebert.

Cabinet Resigns

Weimar, June 20—via Amsterdam to London—The German cabinet headed by Philipp Scheidemann has resigned.

Paris, June 20—It is reported here that the Germans will ask for a further extension of the time limit within which to act on the peace treaty.

New Minister

Coblenz, June 20—Gustave Noske, the minister of defense, will succeed Philipp Scheidemann as head of the German Ministry, according to a Weimar dispatch received here today. Matthias Erzberger, of the German Armistice Commission, will succeed Count Von Brockdorff-Rantzau as head of the German Peace delegation, the message adds.

Paris, June 20—French official information on the German situation is to the same general effect as that received by the American delegation, mainly that fall of the Scheidemann-Ebert government carries the impression that the National Assembly is favorable to the signing of the treaty.

Deny Cabinet Report

Paris, June 20—All reports concerning changes in the German cabinet are premature says an official dispatch from Nauen at one o'clock this afternoon.

The message adds that the National Assembly failed to get a majority of the Senators to favor signing the peace terms.

WILSON BACK TO PARIS

President and Party Enjoyed Trip Over Belgium Battlefield.

(By Associated Press)

Paris, June 20—President Wilson and his party arrived here today after a two day trip to Brussels and the war zone in Belgium. There was no formal reception and Mr. Wilson drove immediately to the Paris "White House". The President expressed his enjoyment and interest in the trip he had taken.

NO REPRISALS FROM VILLA

El Paso, Texas, June 20—Villa will make no reprisals upon American property and lives in Mexico because American troops drove his men back from the border Sunday night a courier from a Villa camp who arrived here on an important mission declared.

THE WEATHER

Part cloudy, probably thunder showers to-night and Saturday. Little change in temperature.

ORLANDO RESIGNS WITH CABINET

Chamber of Deputies Reject its
Vote of Confidence by
Big Vote.

MAY BE POLITICAL CRISIS

Resignation May Embarrass Peace
Conference. Orlando was One of
Big Four Council.

Rome, June 20—The Italian government resigned last evening following an adverse vote against it in the Chamber of Deputies.

Premier Orlando in announcing his resignation and that of the cabinet, said King Victor Emmanuel had reserved decision as to acceptance.

The Chamber of Deputies had, by a vote of 259 to 78, rejected Premier Orlando's motion in favor of discussing the question of confidence, which related to the foreign policy of the government, in secret session.

The resignation of the Orlando government might have an embarrassing effect on the Peace Conference as Premier Orlando has been a member of the Council of Four with Premiers Lloyd George and Clemenceau and President Wilson.

A political crisis arose several weeks ago in Rome and caused three members of the Orlando government to resign. The Premier returned to Rome from Paris and was able to adjust the difficulties.

The labor and food situation in Italy has not been of the best since the signing of the armistice and a general strike began in Rome Tuesday night. Last week there were strikes and disorders in Spezia, Turin and Milan.

Prior to the vote Premier Orlando, in addressing the chamber, said:

"Italy's peace with Germany and Austria has been solved in a manner with which, on the whole, I feel satisfied."

Insisting on the necessity of a secret session, the premier declared that the government needed greater confidence and would treat his motion for a secret session as a question of confidence.

The Socialists immediately opposed this.

Signor Orlando in his address said Italy's position had been considerably aggravated by international events during the second fortnight of April. He referred to President Wilson's message regarding the Adriatic question.

The Italian delegation at the Peace Conference, the Premier added, had followed this policy:

"First—Maintain with firmness all the essential points of the Italian claims without which Italy is convinced peace will be neither just nor adequate to the immense sacrifices suffered.

"Second—Remain faithful to your duties toward the Allies.

"Third—Avoid any blind form of obstinate intransigence. Indeed, facilitate conciliatory suggestions capable of producing accord in the conference over the problems concerning Italian frontiers."

Signor Orlando urged parliament to separate the discussion of foreign affairs from the internal policy of the country, the latter being virtually absorbed in the grave question of the high cost of living. Past history showed, he said, that internal perturbations were transitory and that equilibrium would be regained.

The government, the Premier continued, was determined to strengthen the defence of consumers against the cupidity of speculation, which had assumed almost the form of folly. The government intended to suppress to the utmost possible the machinations of the middle man and aid in bringing about co-operation among consumers. Having complete control of bread, rice, cereals, sugar and petroleum, he added, the government would sell them at low fixed prices. Meat would be imported, he said, and distributed at the cost price, without profit and without tax.

HUGE LIQUOR STOCK

About 150,000 Gallons of Whiskey in
Cumberland Warehouse.

Cumberland, Md. June 20—About 4,000 barrels of Braddock bonded whiskey, or 150,000 gallons, is in the warehouses of the James Clark Distilling Company, about three miles above the city on the National Highway, awaiting its knell by Congress. It is said that some of the owners figure that it would be cheaper far, to let the rye product remain than to take it out. The stock had been bought at from 70 cents to \$2.25 a gallon. With the recently levied war and revenue taxes it would cost the owner \$11 a gallon to lift. Some dealers have contracted with drug stores in Cumberland to take over their supplies should wartime prohibition go into effect July 1. It will be used through physicians' prescriptions.

NO HOPE DRY LAW BEING REPEALED

Impossible to Vote on Measure
Before July 1. Opinion of
Committee.

Washington, June 20—Though public hearings have been completed and the most controversial points of the bill already considered, members of the House Judiciary Committee have abandoned any hope they may have had of bringing the Volstead bill for enforcement of war-time prohibition and prohibition under the federal amendment to a vote before July 1.

Members of the committee said Thursday that it would be impossible to complete consideration in the committee of the bill before next week, and that it probably would be the end of the week before it will be in shape to be reported to the House.

"Dry" members of the committee, however, are not attempting to hurry the measure through, pointing out that the act under which the President proclaimed prohibition after June 30 as a war measure also provides for the enforcement of it by making it a crime punishable by fine or imprisonment, or both, for violation of the act.

The act provides that "any person who violates any of the foregoing provisions shall be punished by imprisonment not exceeding one year, or by fine not exceeding \$1,000, or by both such imprisonment and fine."

"Wet" members of the committee and of the House and Senate are not leath to let the bill go over until after July 1 and will then delay the vote as long as possible, for the act under which war-time prohibition was proclaimed does not define what percentage of alcohol beverages shall contain to come within the "intoxicating" class, and until a bill is passed by Congress specifically naming the percentage that is "intoxicating" or the question is decided by the Supreme Court, the answer will remain one for the several states to determine for themselves.

HARRY J. FREY

Brother of Charles Frey Dies at Home
in York.

Harry J. Frey, who for approximately one-quarter of a century, was the financial scribe of Ivy Castle No. 134, Ancient Order Knights of the Mystic Chain, died at 11:30 o'clock Wednesday night at his residence, 634 East Philadelphia street, York.

He was also a veteran of the Civil War having served as a musician in the 87th Regiment band of the Union army during the last two years of the war between the states. He was a member of General John Sedgwick Post, No. 37, Grand Army of the Republic, and was quartermaster of that organization.

Death followed a stroke which came upon him Wednesday evening. He suffered with dropsy for the past several years. Besides his wife, Mrs. Katie C. Frey, he leaves one son, Frank F. Frey, and two daughters, Emma N. Frey, at home, and Mrs. Edward Ramer. He is survived by four brothers, William Frey, of Lancaster; Charles Frey, of Gettysburg; John Frey, of Littlestown, and S. F. Frey, York; and two sisters, Mrs. M. Andrew, Lemoyne, and Mrs. Jennie Bancroft, Waynesboro. At the time of his death he was in his eightieth year.

Funeral Saturday afternoon with services at the house at 2 o'clock, Rev. W. Sherman Kerschner, pastor of Heidelberg Reformed church, officiating. Interment in Greenmount cemetery.

OSCAR F. SPRENKLE

Former County Resident Dies in
Franklin.

Oscar F. Sprengle, an old and widely known citizen of this section, died at 11:45 Thursday morning at his home near Tomstown, Franklin county, aged 73 years and nine months, from a complication of diseases from which he had suffered since last October.

During his life he had resided in Adams county, at Roadside, at the Nunnery, and for the past four years at Tomstown.

He was a member of the Reformed Mennonite church and was a brother of the late Isaiah Sprengle, who was bishop and very prominent in the affairs of the same church.

His wife, who survives him, was Miss Eliza Shelley, of Fairfield, Adams county.

Besides his wife he is survived by the following sons and daughters: John F. Sprengle, Oxford; Walter Sprengle, Blue Rock; Fred, Nunnery; Benjamin, Zullinger; Albert, at home; Mrs. D. E. Helman, near Chambersburg; Mrs. Harry Hoover, Rouzerville. A sister, Mrs. Annie Carl, also survives.

PLEBISCITE PLAN MAY BE ORDERED

Germans May Adopt This
Method of Making a
Decision.

MAY ASK FOR MORE TIME

Ebert and Scheidemann to Retire
Rather than Sign. Delegates Said
to Support Von Brockdorff.

Paris, June 20—Advices received in American Peace Conference circles in Paris from Weimar indicate that there may be a change in the personnel of the German peace delegation and that a short extension of the time limit for signing the peace treaty may be requested by the Germans, but that the Germans will sign the treaty.

Berlin, June 20—The German National Assembly will make its final decision on the peace treaty Saturday, according to private advices received here from Weimar. In all probability, it is said, the Assembly will decide to order that a plebiscite be taken.

If the German National Assembly orders a plebiscite on the peace treaty Saturday, the voting will have to be done so that the German answer can reach the Allies in Paris by 6:49 p. m. Monday, Paris time, unless the Germans should request and the Allies grant, a further extension of time in which to answer.

Late in April it was reported from Berlin that the German government had all appurtenances for an election in readiness for a plebiscite on the peace terms. At that time sources close to the German government claimed that such an election could be completed throughout Germany in 48 hours. The question of a plebiscite in Germany, however, has not been raised since.

Since the revolution in November all important elections in Germany have been held on Sunday.

The German peace delegation is one in backing up Count von Brockdorff-Rantzau in his opposition to signing the peace conditions, according to the correspondents of Berlin newspapers at Weimar.

A memorial prepared by the delegates on the train from Versailles demands rejection of the terms. The "hostile" tenor of the reply, it is argued in the memorial, simplifies such action, and, it is said, unless Count von Brockdorff-Rantzau succeeds in persuading the cabinet to his views, he and the entire delegation will withdraw and he will resign from the cabinet as foreign minister.

A large number of the less important members of the delegation which accompanied the Foreign Minister to Versailles have returned to Berlin and are conferring with the experts who have been in consultation with Count Bernstorff's peace bureau during the last few months. They have organized into subcommittees and are making a thorough canvass of all the economic issues involved in the altered terms. A comprehensive report will then be submitted to the cabinet.

The correspondent of the Lokal Anzeiger declares that President Ebert and Premier Scheidemann would rather retire than affix their signatures to the treaty. The Neue Zeitung correspondent telegraphs that Professor Schuerking, one of the principal German delegates, was impatient at the mere suggestion that the question of signing is still a debatable topic.

The memorial drawn up by the delegates on the way from Versailles goes into all details of the situation which would result from not signing and comes to the conclusion that these effects would not be as bad as those that would result from yielding. The memorial further says that invasion and occupation by the Allied forces would be bound to have an instantaneous effect in quickening the national spirit.

Copies by Airplane

The peace treaty as delivered to the German delegates June 16, with the revisions and corrections made since the original draft was formulated embodied in it, will be published today in London and Paris.

An airplane left the airdrome at Bue, near Paris yesterday, bearing 45 copies of the revised document to London.

CHILDREN DIE

In Motion Picture Fire in Porto
Rica.

(By Associated Press)

San Juan, Porto Rica, June 20—One hundred and fifty persons including many children are reported killed or injured in destruction by fire of a motion picture theatre in Mayaguez. The bodies of 27 unidentified persons were recovered from the ruins.

Friend—"How perfectly devoted you are to your husband." Wife—"Yes. I'm trying to spoil him, so that if I die and he married again no other woman could live with him."—Stray Stories.

MEXICAN REBELS TRIED IN COURT

Forty Three Captured After
Juarez Battle. Charged with
Banditry.

Juarez, Mex., June 20—Forty three prisoners captured during the battle of Juarez were placed on trial in the District Court here yesterday before Judge Cuen. The prisoners were delivered to the civil authorities by the military, following the battle, and will be tried on charges of banditry.

A number of the prisoners claim to have been impressed by Villa and made to fight against their will. These will be given an opportunity to prove their claims.

While the suspension of guarantees is not in effect at the present time, it will be possible to order any of the prisoners shot who are proved to have been with Villa voluntarily and were active in the campaign against the Government.

Following an official protest by American Consul Dow to General Gonzales Wednesday night, in the name of the American State Department, against the lack of military protection being furnished Americans and their property in the north, General Gonzales announced Thursday he had ordered a column of cavalry to Casas Grandes, near the Mormon colonies.

The American Consul was also asked by the State Department to furnish an estimate of the number of Americans in the State of Chihuahua outside of Juarez and Chihuahua City who might be exposed to the danger of Villa reprisals. Consul Dow estimates these to number 750, including 670 Mormons.

There are probably 200 Americans in Chihuahua City and more in Juarez, but they are not considered in danger.

Patrols Guard the Border

Fabens, Tex., June 20—Reports from American outposts here yesterday said everything was quiet along the line and no Villa activities had been noticed on "the islands" or near Guadalupe, where 70 Villa men were seen late Wednesday. The campfire of the Villa band could be seen all night and the American patrols watched the border closely to prevent a raid into the United States by the rebels.

As soon as the Villa band was reported to the border patrol base here additional troops were sent from Fort Bliss by motor trucks and were put into positions along the river to repel any possible invasion.

An airplane patrol of the border has been established by Major Tobin, commander of the 11th Aero Squadron of DeHaviland bombing planes, which flew here from Fort Sam Houston Tuesday.

BIG CROWD AT SHOW

Colonel John McGill's Wild Western
ers Fail to Please Majority.

Colonel John McGill and his wild western showmen furnished many surprises by their performance on South Washington street, Thursday night.

The first surprise was the crowd of four hundred people who unexpectedly turned out to witness the performance and the second and greatest surprise was the lack of thrilling riding, lasso exhibitions, and other feats of the plains for which the onlookers were anxiously watching.

According to witnesses the only part of the performance worth watching were the tricks of Colonel McGill's horse as the show on the whole was decidedly poor.

Still what can be expected for twenty five cents?

MORE MONEY FOR AVIATION

(By Associated Press)

Washington, June 20—Action by Senate Committees today indicates that appropriations for army and navy aviation would be sharply increased over the House total in the annual appropriation bill as they will be presented to the Senate.

With few dissenting votes the full naval committee decided to recommend an increase of the House appropriation of \$15,000,000 to \$35,000,000 as urged by Secretary Daniels; while a sub-committee of the military committee voted to recommend an increase for army aviation from \$15,000,000 to \$50,000,000.

WILL NOT ASK FOR RELEASE

Atlantic City, June 20—American Federation of Labor in convention here refused today to ask for the release of so-called political and industrial prisoners convicted under the espionage act and other war-time acts. Instead the Federation adopted a modified resolution requesting that these acts be rescinded with the formal coming of peace.

CERTAIN TO SIGN

(By Associated Press)

London, June 20—The signing of the peace treaty by Germany, an Exchange Copenhagen dispatch says, is as certain as if the signatures had already been put to the document.

WORLD'S RECORD IN ROAD WORK

(Continued from First Page.)

struction is that in Derry township, Westmoreland County, on the William Penn Highway, where 32,047 feet of reinforced concrete and hillside brick are planned to connect Blairsville and New Alexandria.

There are twenty two projects in the letting of July 8. In Bradford County almost nine miles of road are planned from Towanda north toward Waverly. In Bucks County a concrete road is to be put down north and south of Plumsteadville on the East-on-Doylestown-Philadelphia road. A very important thoroughfare is that between Slippery Rock and Butler, on the road north from Pittsburgh, where the program calls for about eight miles of concrete. There are two projects in Clearfield County—one connecting Clearfield and Curwensville and the other extending from DuBois toward Reynoldsville. Construction is planned from Osceola, Clearfield County, south over two miles into Centre County. In Delaware County over four miles of road are to be built north from Chester. In Fayette County about six miles of concrete are planned from a point north of Smithfield to the West Virginia line, on the main road south from Uniontown. Another six mile strip is that from Slatington south toward Allentown, in Lehigh County. A second Lehigh County job is that calling for three miles of concrete from Allentown south toward Emaus. Four miles of concrete are planned for Luzerne County in the vicinity of Harvey's Lake. There are three Somerset County projects. One is from Salisbury to the Maryland line; another means seven miles of concrete between Berlin and Garrett; the third calls for six miles of concrete from Jennertown north toward Johnstown. In York County it is proposed to construct six miles of concrete from York to a point south of Dallastown, on the road to Baltimore.

SERIES OF CONCERTS

Fairfield Band Serenades People in Country.

In order to show their appreciation for the support of the people of their community the Fairfield band is conducting a series of concerts through the western end of Adams county.

On Wednesday night the band motored to Orrtanna and Cashtown and entertained the people with their music.

During the evening they visited the homes of Chris Musselman, William Donaldson, Albert Keady, Edward Rebert and William Andrews. The band was hauled in the machines of Dr. Porter, John Musselman, Frank Pence, Millard Stoner and Chris Musselman. The last two men are not members of the band and donated their cars for the use of the band.

Next week another trip will be taken.

WIN WRITING DIPLOMAS

Eight Members of St. Joseph's School Excel in Penmanship.

Eight members of St. Joseph's School have been awarded diplomas by A. N. Palmer Company, of New York city, for having acquired proficiency in the Palmer Method of Muscular Movement Writing. Announcement to this effect was made recently by the Sisters of St. Joseph. The awards were not made in time to be announced at the commencement exercises held Tuesday morning at St. Joseph's church. The awards were made to the following: Misses Margaret E. Maxwell, Julia M. Murphy, Helen M. Murphy, Marie B. Small, Helen J. Kolarik, Marian C. Maxwell and Katherine Hemler and Master William J. Overbaugh. A progress pin was awarded to Miss Madeline Sunday.

SPEED RULES WERE NOT OBSERVED

Says Report on Accident in Which Carlisle Soldiers were Injured.

Necessity for strict adherence to rules of safety is urged by John P. Dohoney, chief of the Bureau of Accidents, in his report to the Public Service Commission on the accident that occurred last Saturday at Second and North streets, Harrisburg, when twenty soldiers from Carlisle were injured, one of whom died. The report says:

"In the investigation of the accident it is difficult to assemble all of the facts because of the varying views respecting the speed of the street car immediately prior to and at the time of the collision and also by reason of the conflicting statements of the motorman and the truck driver. The motorman states that his car was going at a rate of twelve miles an hour and substantially this impression is confirmed by several passengers, but it is the opinion of a reliable citizen who was standing near the street corner and witnessed the accident that approximately the speed was twenty five miles. The truck was moved about twenty feet by the impact.

"In explanation of his action in attempting to cross in front of the trolley car, the truck driver has testified that he approached the crossing at a speed of eight miles an hour and that when he first noticed the trolley it was seventy five to 100 yards distant. He says he got a signal from the motorman—that is, a wave of the hand—which he regarded as an indication to go on. This the motorman denies. The motorman's contention is strengthened by the fact that he did not stop at the corner in question and, therefore, it is unlikely that he gave a signal such as the truck driver thought was conveyed.

Physical Conditions
"The physical conditions surrounding the crossing do not obstruct the view of an approaching northbound car to the extent that a movement from west to east may not be safely made, and the extenuating circumstance in this case is the belief of the truck driver that he was signaled to cross over.

"An ordinance governing traffic in the city of Harrisburg provides that no street car shall be driven or operated at a rate of speed exceeding fifteen miles an hour and a motor vehicle twenty four miles an hour. With no reference to this particular collision, it is a matter of common observation that these restrictions are not always complied with and so long as this condition prevails there is a likelihood of resultant accidents."

"Bankrupt is he? Why, I thought he had a fixed income of \$10,000 a year." "So he had, but his wife fixed that in three months after their marriage."—San Francisco Chronicle.

EXPECT MORE TRUCK TRAINS

Motors will be Sent to States for Road Work.

With the War Department making plans to dispose of its huge store of motor trucks at Holabird and other camps near Washington, it is expected that during the coming month people of Gettysburg will again see long trains of these trucks passing through town on their way West.

Plans have been announced that the reserve supply of motors that the government was preparing to ship to France will be assigned to the various states to be used in the road building programs and many of the trucks that passed through here last year will be returned to western states.

SPORTING COLUMN

Robert Edgren in the Toledo Blade says:

"To me Jess looked softer. His stomach was thick and there was a shaking roll along his belt line and across his loins. If Willard expects to get down to the greyhound condition he showed at Havana he will have to do a lot of heavy work and dry out well at the finish."

"He is as big as a barn, and his muscles are well rounded. He is fast as a streak with his hands. But he does little footwork in boxing. His whole plan of action is to make the other fellow come to him, block or avoid all the punches he can, and occasionally shoot over a straight left or a hard counter with either hand."

"His style has become more like Jack Johnson's, and like Johnson he is inclined to flounder when he takes the aggressive. For all that he hits like a kicking mule and looks dangerous."

"The chief question in the coming contest will be whether Dempsey can get past Willard's left and start ripping and tearing at close quarters. If he can it will be anybody's bout."

"If it becomes a question of endurance, and neither man is badly dazed in the early rounds, Dempsey's chance is going to be good indeed."

"In this case Dempsey is going to hit harder as the battle goes on, and unless Willard changes condition in the next two weeks, Dempsey's lean-muscled, wiry body is going to give him an advantage in endurance that will surely count in his favor."

First Ward went into the league leadership by defeating Second Ward in one of the most hard fought and exciting contests of the season on the Playground diamond, Thursday afternoon. By winning the night cap from Third Ward the Second Ward club, however, kept within striking distance of first place. Both scores were 4-3.

Excitement was predominant throughout both games and the large crowd of spectators present to attend the Opening Day festivities saw many thrilling plays and spectacular finishes.

Second Ward got a lead of one run in the first inning when Lower was hit by a pitched ball and made the circuit on a series of overthrows. Deardorff

tied it up in First Ward's half by drawing a pass, reaching third by infield outs and crossing the plate when Pontius threw high to catch him off third.

Later in the game it looked as if Second Ward had the game on ice when Thompson singled, was sacrificed by Lower and scored on Ikeler's double to left.

In the last or seventh inning Manager Lawrence Oyler, of First Ward, inserted himself in the game as a pinch pitcher and paved the way for victory when he doubled to right. With two men out Stahley, after being given a life when Myers dropped his high foul, singled to center and scored Oyler with the tying run.

Deardorff led off the ninth with a single. Weiser pumped a long fly to deep center field which Duncan misjudged and allowed to go over his head for a safe hit scoring Deardorff with the winning run.

Fans who witnessed the evening game between Second and Third Wards were one hundred and twenty miles from Shibe Park at Philadelphia and seventy seven and seven-tenths miles from the Nationals' Park at Washington, nevertheless, they were given opportunity to see how Babe Ruth, Clouting Cactus Cravath, Ping Bodie and all the other famous big league sluggers pound the ball when in the sixth inning Manager Buzz Hunter, of Third Ward, cracked

out the longest homer ever seen on the Playground diamond. Hunter's terrific smash between center and right field hit the Junior diamond on the fly and rolled almost to the basket ball court and was so far out of the park that he crossed home plate before the ball ever got back to the infield.

The spectacular fielding of King in left and the consistent hitting of Ikeler were other features of the game which Second Ward won by bunching hits in the third inning and scoring four runs.

THIS PRETTY GIRL WHO DEFIES AGE
USES HOWARD'S BUTTERMILK CREAM
TO BEAUTIFY HER COMPLEXION

Tells People's Drug Store and all good drug and department stores not to take anyone's money unless this delightful new vanishing Cream quickly shows a decided improvement. Try it to-day at our expense.

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic. The most wonderful thing about it is the fact that whilst it turns the dull, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, crows feet or lines around the mouth, ugly finger nails, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that any or all of these troubles will quickly disappear with the use of Howard's Buttermilk Cream.

To prove this to your complete satisfaction, get a small quantity to-day at People's Drug Store with the understanding that they will freely return the purchase money to any dissatisfied user.
Beautiful actresses says, "A short massage with Buttermilk Cream at night before retiring is all that is necessary."

MEMBER OF BOARD
Professor Shank Named as Examiner for Teachers.

Professor W. Raymond Shank, assistant superintendent of county schools, has been named a member of the examining board which will meet in Lancaster to examine teachers who desire to secure permanent state certificates. Many teachers who are entitled to take the tests are going to do so as the method of issuing these certificates in the state is likely to be changed.

Applying More Pull Here

WHERE the rear wheels of your truck engage the road, right there Atlantic Gasoline applies terrific force. One of two things *must* give way, either the load or the road. For wherever wheels can get traction, Atlantic Gasoline supplies abundant power to move massive loads with ease and agility.

First of all, Atlantic Gasoline is no ordinary motor-fuel. Not by any manner of means. It is most extraordinary. It is in a class by itself and at the head of the class.

Just as you cannot get more water out of a bucket than you put into it, so you cannot get more power out of a motor-fuel than is put into it.

A highly skilled organization of refiners charge Atlantic Gasoline with potential power to the absolute limit. It is for your drivers to extract that power when they shift the throttle, or step on the accelerator.

Medical Advertising WONDER OF WOMAN IS DEEPLY STIRRED

Mrs. Minnie Anderson, 32 N. Edgewood St., Phila., said: "I was suffering from nervousness. I had what felt like a lump in the throat. My circulation was poor and my heart action was not strong. Mrs. Reichert, a neighbor, recommended Tanlac. I bought some and now I am much better in every way. Can anyone wonder I praise Tanlac every chance I get."

The genuine J. I. Gore Co. Tanlac is sold here by People's Drug Store and other leading druggists.

THIRTEEN IS LUCKY

State Suffrage Committee Celebrate Legislative Victory.

The National Woman's Party is wearing a smile that will not come off. The quick action in the Senate and House Thursday morning making sure the ratification of the Federal Woman Suffrage Amendment before the session of Legislature ends, prompted the women to arrange a hurried luncheon at the Penn-Harris, in Harrisburg, that was in the nature of another jubilee occasion.

Regardless of superstition, thirteen happy women sat down to a table decorated with the organization's colors, purple, white and gold. At the back of each chair was one of the gay pennants and in the center of the table was a beautiful floral decoration also bearing the colors that now stand for woman's freedom.

Those present were: Mrs. Lawrence Lewis, of Philadelphia, Chairman of the Ratification Committee; Miss Mary H. Ingham, State President, also of Philadelphia; Miss Ella Riegel, member of the National Advisory Council, Mrs. Archibald R. Harmon, Chairman of the 6th Congressional District; Miss Caroline Katzenstein, State Executive President of the Central Pennsylvania Woman's Association; Mrs. J. Sharon MacDonald, of Harrisburg, Chairman of the Lobby Committee; Mrs. Maxwell Chapman, of Scranton; Mrs. Robert D. Davenport, of Wilkes-Barre; Miss Kate C. Heffelfinger, of

Shamokin; Mrs. W. B. Christine, of Scranton; Miss Olive Beale, of Washington, D. C.

IRON SPRINGS

Iron Springs—Mr. and Mrs. John Martin and son, Arthur, of Irishtown, Mrs. Joseph Small and two children, Donald and Dolores, of Edge Grove, visited on Sunday with Mr. and Mrs. Brenizer.

Mr. and Mrs. Shindel, Mr. and Mrs. Harvey Musselman, of Hagerstown, and Miss Elizabeth Rinehart, of Union Bridge, Md., visited at the home of Mr. and Mrs. James Musselman recently. Wilson Hummelbaugh visited his daughter, Mrs. Charles Slaybaugh, and family at Upper Huntington, and his brother, Wesley Hummelbaugh, over Saturday and Sunday.

Give not reins to your inflamed passions; take time and a little delay; impetuosity manages all things badly.—Statius.

Real Estate and Personal Property For Sale

7 room brick, metal roof house, with one story frame, metal roof bowling alley and cigar store adjoining, with two bowling alleys, four pool tables, and all other equipment, including wall cases, counters, etc., in Biglerville. The bowling alleys and pool room do a good business both winter and summer, centrally located.

Complete Restaurant and Hotel Equipment, excluding the equipment for a licensed bar, including soda fountain, cigar cases, counters, 15 furnished rooms, all stock and fixtures, linen, bed clothing, potatoes, canned goods, five hogs, dining room and kitchen equipment complete, cigars, candy, 75 tons of ice, in fact everything necessary for the successful operation of a hotel and restaurant, without licensed bar. One of the best located stands in Adams County, doing a big business. If you are interested in this line of business, it will pay you to see me at once about this place.

Two and one half story, frame and brick, nine room house with porch. Large lawn barn, hog pen, chicken house and other buildings. About 20 acres of land lying a short distance from the buildings. This land is productive, being tiled it is also desirable for building sites.

100 Acre Farm in high state of cultivation and an excellent producer, on the State Highway. Running water through the farm. Water system at house and barn. First class 7 room brick house with bath and porches. Large lawn, fruit orchard, large bank barn and other necessary buildings in first class shape, small tenant house on farm. This is a farm you will like and one on which you will make money.

I have several desirable business properties in town, some of them good investments, also medium priced and cheap houses on which you can realize a good return on the money invested.

How about a building lot in Gettysburg? I have them on Broadway, Stevens Street, York Street and Stratton Street. Prices are right on all of them.

I have a number of prospective buyers for small farms of from 25 to 60 acres, and for a 40 to 60 acre fruit farm. If you want to sell I believe I can successfully handle your property.

H. B. BENDER

So Big And Yet So Small!

Seen by itself, Swift & Company is one of the largest manufacturers and distributors of animal food products in the country.

Seen in relation to the total food business of the world, its size diminishes to small proportions.

We handle only about 22 per cent of the total output of the hundreds of packing plants under federal inspection, and only about 12 per cent of the total meat supply of the nation.

We handle only about 6 per cent of the total quantity of butter, eggs, and poultry sent to market in the United States.

Our tanneries handle less than 15 per cent of the hides made into leather in the United States.

Our soap factories make less than 10 per cent of the soap output of the nation.

This is done in keen and open competition with every concern handling these products, and at a profit of a fraction of a cent per pound.

In the meat packing industry there is no one dominant concern handling a large proportion of the output.

Swift & Company, U. S. A.

NEW TREATMENT THAT

KNOCKS RHEUMATISM

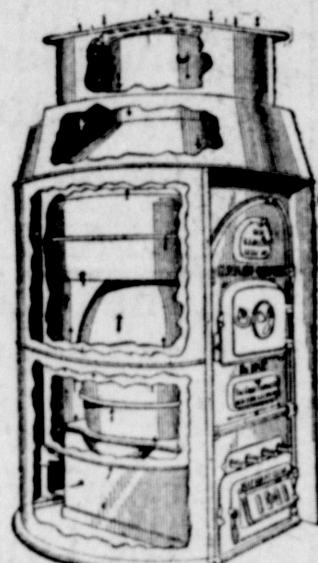

75c BOX FREE TO ANY SUFFERER
Up in Syracuse, N. Y., a treatment for rheumatism has been found that hundreds of users say is a wonder, reporting cases that seem little short of miraculous. Just a few treatments even in the very worst cases seem to accomplish wonders even after other remedies have failed entirely. It seems to neutralize the uric acid and lime salt deposits in the blood, driving all the poisonous clogging waste from the system. Soreness, pain, stiffness, swelling just seem to melt away and vanish.

The treatment first introduced by Mr. Delano is so good that its owner wants everybody that suffers from rheumatism or who has a friend so afflicted, to get a free 75c package from him to prove just what it will do in every case before a penny is spent. Mr. Delano says: "To prove that the Delano treatment will positively overcome rheumatism, no matter how severe, stubborn or long standing the case, and even after all other treatments have failed, I will, if you have never previously used the treatment, send you a full size 75c package free if you will just cut out this notice and send it with your name and address with 10c to help pay postage and distribution expense to me personally."

F. H. Delano, 1148 B. Wood Bldg. Syracuse, N. Y. I can send only one Free Package to an address.

(Medical Advertising) CAUSE OF STOMACH SICKNESS

How to Relieve Stomach Distress in a Few Minutes. Money Back if Treatment Does Not Overcome Any Form of Indigestion

If you feel as though there was a lump of lead at the pit of the stomach, take a couple of Mi-o-na stomach tablets and in five minutes you should see that all stomach distress has vanished.

If you belch gas, have heartburn or sour stomach, you need Mi-o-na. If your stomach feels upset the morning after the night before, take two Mi-o-na tablets and see how quickly you get relief.

If you have shortness of breath, pain in the stomach, waterbrash or foul breath, you need Mi-o-na and the sooner you get it, the sooner your stomach should perform its duties properly.

If you use a box of Mi-o-na tablets and feel that it has not overcome your indigestion or stomach trouble, take the empty box to your dealer and he will refund your money. For sale by The People's Drug Store and all leading druggists.

Try This To Banish All Rheumatic Pains

People who have been tormented for years—yes, even so crippled that they were unable to help themselves—have been brought back to robust health through the mighty power of Rheuma.

Rheuma acts with speed; it brings in a few days the relief you have prayed for. It antagonizes the poisons that cause agony and pain in the joints and muscles and quickly the torturing soreness completely disappears.

It is a harmless and inexpensive remedy, but sure and certain, because it is one discovery that has forced rheumatism and sciatica to yield and disappear.

Begin the Rheuma treatment today, and if you do not get the joyful relief you expect, your money will be returned. People's Drug Store always has a supply and guarantees it to you.

TEACHERS' BILL NOW IN SHAPE

Leaders Agree in Conference to
Final Details of Salary
Increase.

A FEW SLIGHT CHANGES

Provides Minimum Salary for All Teachers. It Carries an Appropriation of \$6,000,000.

The Woodruff teachers' salary increase bill has been whipped into the shape in which the Administration wants it put through. It was agreed upon in a conference participated in by Governor William C. Sprout, Thomas E. Finegan, Superintendent of Public Instruction; Chairman W. J. McCaig and A. F. Daix, of the House and Senate Appropriations Committees; Senator James B. Weaver, chairman of the Senate Education Committee, and Representative John M. Flynn. The bill carries an appropriation of \$6,000,000.

The measure was reported to the Senate Wednesday night in its revised form and efforts will now be made to put it through finally in that body and have the House concur in the amendments. There may be some opposition for certain sections of the State, but it is believed that the legislation will be accepted. If defects are found in the working out of the plan, the next Legislature can cure them.

The bill provides the following minimum salaries for teachers, principals, supervisors, directors of special subjects and their assistants:

Holders of provisional certificates, \$60 a month; professional certificates, \$70 a month; normal school diplomas, county permanent, State permanent or College professional certificates, \$80 a month.

Each teacher or other instructor in second, third and fourth-class districts who hold certificates other than provisional and who in the school year of 1919 received less than \$100 a month, but whose salary is not increased by at least twenty five per cent under the provisions of clause 1 of the bill, would receive an increase in salary of twenty five per cent. Those receiving \$100 and not more than \$150 a month would get a twenty per cent increase and those receiving over \$150 and not more than \$200 would receive a twenty per cent increase, while those receiving more than \$200 a month would get a ten per cent increase. Teachers in the first-class districts, Pittsburgh and Philadelphia, are to receive the same rate of increase as those in the other three districts, but half of the increase is to be paid by the State and the other half by the district. Nurses in first-class districts are included in the bill.

The following apportionment of the payment of the increase in the second third and fourth-class districts is made between the State and the school districts.

The State would pay holders of provisional certificates, \$5 a school month; holders of professional or State normal school diplomas, county permanent, State permanent or college professional certificates, \$20 a month. The remaining portion of the salary increases will be paid by the school district.

In addition to the minimum salary and in addition to the portion of salary required to be paid by the State, the State shall give to each teacher of a rural school holding higher than a provisional certificate \$10 a month.

FAIRFIELD

Fairfield—The following have received their honorable discharges from the Army and have arrived home: Earl Hartzell, of the 77th Division; Floyd Sanders, A. Ray Musselman, Frank Cluek and Earl Stine, of the 79th; Earl Weikert and Carroll McClellan, of the 29th. All of them spent a year overseas.

Harry E. Hartzell has gone to Washington, D. C., where he received an appointment in the War Risk Insurance Bureau.

James and Maurice Marshall spent Sunday with their father, John K. Marshall.

Dr. Trout spent several days at Atlantic City, N. J., last week.

Prof. Claire Hoofnagle is spending his vacation at his home here after teaching school the past term at Port Deposit, Md.

Miss Mary Neely, of Philadelphia, is visiting her brother, Robert C. Neely.

Rev. and Mrs. Guy B. King, of New York City, are visiting with the former's parents, Mr. and Mrs. E. E. King. Miss Marian Seabrook, of New York City, is visiting with her parents, Hon. and Mrs. E. A. Seabrook.

More helpful than all wisdom is the draught of simple human pity that will not forsake us.—George Eliot.

He that makes injustice his weapon shall know the sting of the serpent that never dies.—Sir Richard Cooke.

HAMMERS' STORE

40 cent Pineapples, 25 cents; big 40 cent Lemons, 30 cents; 38 inch mushin, 14 cent; Mason Jars, and Jelly Tumblers; large lot New Pants and Overalls; Cereals and Farinaceous Breakfast foods, 10 cents per pack; lot 12 and 15 cent Gingham; 25 gross thick Jar Gums in the world, 8 cents dozen; new Fruit-Cans; Wax and Wax strings; hundreds of people are confessing to each other that they have been benefitted greatly by dealing at HAMMERS' STORE

When the Khaki uniform is laid aside and the problems of industry are to be solved, the man who has been accustomed to the easy Army shoes is going to want the same thing in a work shoe.

Weyenberg Shoes for Service are just what is wanted. They are not as heavy as the Army shoes but have the same last, are made of soft, pliable, tough leather and will withstand barnyard acids. We value our reputation above all else, but we are daily strengthening it by selling Weyenberg Shoes for Service. We also have their Dress Line for Men and Boys.

O. H. LESTZ,

The Home of Good Clothes,
Corner Centre Square and
Carlisle Street, Gettysburg,
